School of Bioinorganic Chemistry

The *Divisions of Inorganic Chemistry* and *Chemistry of Biological Systems* of the "*Società Chimica Italiana (SCI)*" in collaboration with the *Institute of Crystallography* of the CNR and the *Department of Environmental, Biological and Pharmaceutical Sciences and Technologies* of the University of Campania "Luigi Vanvitelli" (DiSTABiF) organize a *School of Bioinorganic Chemistry* for PhD students, post-doctoral fellows and research fellows enrolled in the Società Chimica Italiana. The school aims to provide students with a high level preparation in the field of Bioinorganic Chemistry that complements and integrates the specialized education acquired in the laboratories to which they belong.

The School will be held at the DiSTABiF in Caserta from *June 27 to June 30, 2023*.

Looking forward to meeting all of you in Caserta,

Michele Saviano

Gaetano Malgieri

Informazioni**Organize by:** Divisione di Chimica Inorganica e Divisione dei Sistemi Biologici
Luogo: Università degli Studi della Campania Luigi Vanvitelli Dipartimento di Scienze e Tecnologie Ambientali, Biologiche e Farmaceutiche (DiSTABiF) Via Vivaldi, 43 - 81100 CASERTA
Dal: 27 June, 2023
Al: 30 June, 2023
