

ESMEC 2025 - European School of Medicinal Chemistry - 44th Edition

The Medicinal Chemistry Division of the Società Chimica Italiana is organizing, with the support of the European Federation for Medicinal Chemistry and Chemical Biology (EFMC), the 44th Edition of the European School of Medicinal Chemistry (ESMEC 2025), an EFMC Certified School.

The ESMEC is addressed to PhD students and young researchers from both Academia and Industry, with the aim of covering hot topics and new methodologies in medicinal chemistry. To achieve these very ambitious goals, the School is divided into thematic sessions.

Informazioni **Organize by:** Divisione di Chimica Farmaceutica della Società Chimica Italiana

Luogo: Urbino (Italy)

Dal: 29 June, 2025

Al: 3 July, 2025
